# CHAIN LIFE #2 CONCENTRATED WATER-BASED CHAIN LUBRICANT

### TYPICAL APPLICATIONS

**CHAIN LIFE #2** is recommended for use on plastic and metal flat track conveyors and case conveyors. It is also recommended for feed conveyors, fillers, cappers and seamers.

### CONCENTRATED

**CHAIN LIFE #2** is a concentrated water-based chain lubricant that contains wetting agents, lubricants and water conditioners. The product gives "outstanding" lubricity, at the lowest use cost. **CHAIN LIFE #2** has a recommended dilution range of 1 part product to 100 to 200 parts water.

### CONVENIENT

Because **CHAIN LIFE #2** is a liquid, it can be dispensed accurately and efficiently through automatic feed and control systems.

### IMPROVED CLEANING ABILITY

**CHAIN LIFE #2** is formulated with a special blend of selective wetting agents that provide improved cleaning ability of chain, track, and conveyor systems.

### AUTHORIZATION

**CHAIN LIFE #2** is acceptable to the U.S. Department of Agriculture as a general cleaning agent in official meat, poultry, rabbit, and egg processing establishments.

### SAFETY & HANDLING PROCEDURE

Wear goggles or gloves when handling this product. Keep out of reach of children.

### GENERAL DIRECTIONS

Chain lubricants provide higher dilutions and better lubricity in soft water. Best results can be achieved when water of 50-ppm hardness or less is used.

- 1) For case conveyors, use 200 parts softwater to 1 part of **CHAIN LIFE #2**.
- 2) For glass line processing on flat track conveyors, use 150 parts softwater to 1 part **CHAIN LIFE #2**.
- 3) For can line processing on flat track conveyors, use 100 parts softwater to 1 part **CHAIN LIFE #2**.

### PHYSICAL PROPERTIES

Appearance.....Light Golden Viscous Liquid  
 Odor ..... Mild  
 Foam ..... Low to Medium  
 pH of 1% Solution .....8.8 to 9.2  
 Specific Gravity ..... 1.025

### Seller Warranty

CH<sub>2</sub>O brand test reagent refills are available through your sales representative at no charge. Customers are required to confirm product compatibility via a control test for their specific application. CH<sub>2</sub>O recommends that you perform regular/daily testing to control chemical levels and cycles of concentration within established limits. Additional tests may be performed at your request. Test reports reflect conditions at the point when the analysis was performed. Results will change over time and with varying operating conditions.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the product data sheet. Buyer is responsible to ensure that products and product dosages are appropriate for Buyer's particular application. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE. No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Jurisdiction for any issues arising from or relating to this product shall be in the courts of the State of Washington and the venue shall be Thurston County. Any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the rules and procedures as stated in RCW 7.06 and shall be binding upon both parties without right to appeal, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

Applies to all products sold by CH<sub>2</sub>O, Inc., and is hereby communicated to all of its customers as a condition of sale. Use of CH<sub>2</sub>O products is subject to the Standard Terms and Conditions as listed on CH<sub>2</sub>O, Inc.'s website at: [www.ch2o.com](http://www.ch2o.com).
