PH-D ACIDIC, SODIUM-FREE, IRRIGATION LINE CLEANER

PH-D is formulated to alter high pH water, making a more compatible irrigation water for plants.

CONVENIENT

PH-D can be dispensed accurately and efficiently through automatic feed and control systems.

SAFER THAN POWDERS

Because **PH-D** can be automatically dispensed, it is safer than using powders.

SODIUM FREE

PH-D is sodium free so it will not contribute to sodium accumulation in the soil.

SAFETY & HANDLING PROCEDURE

PH-D IS HIGHLY ACIDIC AND CAN CAUSE BURNS. Wear goggles or face shield and rubber gloves when handling this product. While making use-solutions, add slowly to surface of water to avoid violent splattering.

TYPICAL APPLICATIONS

PH-D is made for use as an irrigation line cleaner.

GENERAL DIRECTIONS

Add **PH-D** into the holding reservoir where the water is pumped in from the river. Use rate is determined by monitoring pH on the far end of the drip lines.

Automated pH control is preferred. Additionally, daily testing is recommended to maintain proper control. Failure to monitor and maintain proper control may cause damage. In addition to monitoring and maintaining treatment levels, it is the customer's responsibility to ensure the product is fit for its intended application.

PHYSICAL PROPERTIES

Appearance.....Clear to Slightly Opaque
Odor Mild
FoamNone
pH of 1 % Solution.....1-3
Solubility..... Complete in Water
Specific Gravity 1.40 +/- 0.1

Seller Warranty

CH₂O brand test reagent refills are available through your sales representative at no charge. Customers are required to confirm product compatibility via a control test for their specific application. CH₂O recommends that you perform regular/daily testing to control chemical levels and cycles of concentration within established limits. Additional tests may be performed at your request. Test reports reflect conditions at the point when the analysis was performed. Results will change over time and with varying operating conditions.

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the product data sheet. Buyer is responsible to ensure that products and product dosages are appropriate for Buyer's particular application. Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE. No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty. The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort. Jurisdiction for any issues arising from or relating to this product shall be in the courts of the State of Washington and the venue shall be Thurston County. Any controversy or claim arising out of or relating to this contract, or breach thereof, shall be settled by arbitration in accordance with the rules and procedures as stated in RCW 7.06 and shall be binding upon both parties without right to appeal, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

Applies to all products sold by CH₂O, Inc., and is hereby communicated to all of its customers as a condition of sale. Use of CH₂O products is subject to the Standard Terms and Conditions as listed on CH₂O, Inc.'s website at: www.ch2o.com.
